The President Dt Bd Tuticorin No- 313 d/2-11-09

Reports that it is not possible for the establishment of the musafirkhana at Kunigal to look after both the musafirkhana and the overseers lodge and requests sanction to entertain a Separate Care taker for the overseers lodge.

2 The proposal involves recurring additional expenditure without a proportionate recurring income. It was on this consideration that the proposal was vetoed by Govt.

Though there may be a saving of Rs 1000 this year there is no probability of the annual recurring expenditure being reduced or the Standard of income being enhanced

The income from fees expected by converting the lodge into a musafarkhana may be ended. The President points out a source in this year's budget for meeting a charge which will repeat every year. As already stated the Financial Condition of the Bd is such that before taking charge of another building they should have considered the question of finding the money required for its maintenance. The building have been taken charge of a caretaker has to be appointed to look after it. But as the Bd can not undertake more expenditure. If the fee income is expected to amount to Rs 60 per annum a caretaker on Rs 5 may be sanctioned

B a n g a l o r e.

Sir,

Referring to Government Proceedings No. 2739/L.B.60-09-4 dated 20th September 1909 stating that in the present financial condition of the Board the recommendation to entertain a care-taker for the Overseer's Lodge at Kunigal cannot be sanctioned and that the Board should be able to manage with the establishment which it has already entertained in Kunigal for looking after the 3rd class Traveller's Bungalow and the Musafirkhana, I have the honor to state that the Traveller's Bungalow at Kunigal is a 2nd class one. The Musafirkhana at Kunigal is located in the Town just behind the Taluk Office building. The Overseer's Lodge in reference is situated far from the Musafirkhana and it cannot conveniently be taken care of by the sweeper employed for the Musafirkhana. The ~~enlistment~~ establishment of 1st and 2nd class Traveller's Bungalow has been ordered to be reduced and I am submitting my proposals in that regard. Hence it is necessary to employ a care-taker for the lodge in question. As the construction of quarters for the Medical subordinates at Pavagada has been postponed, the sum of Rupees 1000/- provided therefor in the current year's District Fund Budget is saved. In these circumstances, it is requested that sanction to meet the cost of entertaining a care-taker at
